

Northstar Operations Group - Travel Expense Policy

Travel Expense Policy

1. Purpose

The Travel Expense Policy defines reimbursable business travel costs and the approval process for employee travel.

2. Pre-Trip Approval

Employees must obtain manager approval before booking overnight travel. Travel outside the United States also requires Finance review and Legal review when a contract, customer commitment, or regulatory issue is involved.

3. Airfare And Lodging

Employees should book economy airfare and standard business lodging through the approved travel platform. Exceptions require manager and Finance approval before booking.

4. Meals And Receipts

Reasonable meals are reimbursable within published daily limits. Receipts are required for expenses over \$25. Alcohol is not reimbursable unless explicitly approved for a customer event by an executive.

5. Expense Submission

Expense reports must be submitted within 30 calendar days after travel ends. Finance may reject late or unsupported expenses and may ask for additional documentation.
